

STANDARD OPERATING PROCEDURES (SOP) FOR INTERNS

Biopay Internship Program

Motto: Real-world Exposure | Problem-Solving Skills | Growth Mindset

1. Onboarding Process

- **Document Submission:** Submit photo, academic resume, and signed NDA/internship agreement.(via mail on connectbiopay@gmail.com)
 - **Orientation:** Attend a 30-minute onboarding session introducing company vision, tools used, and team structure.
 - **Access Setup:** Get access to required tools
-

2. Roles & Responsibilities

- Understand your assigned problem statement or project.
 - Attend weekly standups and daily check-ins .
 - Submit deliverables on time, with proper documentation and version control.
 - Maintain professionalism and confidentiality at all times.
-

3. Work Hours & Communication

- Expected time commitment: 15–20 hours/week (flexible, project-dependent).
 - Use official communication channels only
 - Notify your mentor 24 hours in advance for any leaves or schedule issues.
 - Weekly Meeting: A mandatory team meeting will be held every Saturday from 8:00 PM to 9:00 PM. All interns must attend for updates, discussions, and feedback.
-

4. Learning & Development

- **Weekly Learning Goals:** Each intern will receive weekly learning objectives or resources from their respective heads, tailored to their role and project.
 - **Peer Review:** Participate in code/document review sessions to build critique and collaboration skills.
 - **Problem-Solving Sessions:** Join bi-weekly brainstorming or ideation meetings focused on real-world challenges.
-

5. Task Management

- Use Notion or Trello for task tracking.

- Follow agile principles: Break work into weekly sprints with specific goals.
 - Update task status daily (To Do / In Progress / Done).
-

6. Mentorship & Feedback

- Each intern is assigned a mentor.
 - Weekly 1-on-1s for feedback, growth tracking, and technical doubt-clearing.
 - Submit a weekly progress report every Friday (short summary format).
-

7. Ethics & Conduct

- Respect deadlines, teammates, and intellectual property.
 - Plagiarism or dishonesty leads to immediate termination.
 - Uphold the startup's values of integrity, innovation, and impact.
-

8. Completion, Certification & Rewards

- A **minimum of 24 weeks (6 months)** of consistent contribution is required to be eligible for a completion certificate.
 - Interns must **present a final project demo or report** summarizing their work and learnings.
 - **Certification and LinkedIn recommendations** will be awarded based on performance, commitment, and adherence to SOPs.
 - **Performance-Based Rewards:** Top-performing interns may be considered for:
 - Letter of Recommendation (LOR) from the Founder or Mentor
 - Priority consideration for future paid roles or freelance opportunities
 - Personalized mentorship extensions
-

9. Personal Concerns & HR Communication

- **Private Matters Stay Private:** Interns must **address personal concerns (e.g., workload, mental health, interpersonal issues, etc.) directly to the HR representative** via email or a private meeting.
 - **Do Not Raise Personal Issues in Group Calls or Standups**, unless they affect the whole team's workflow and have prior approval from your mentor or HR.
 - This ensures a **professional and respectful environment** for all team members.
-
